

| NO. | BESCHREIBUNG / DESCRIPTION              |
|-----|-----------------------------------------|
| 2   | ISOLIERKÖRPER BUCHSE / INSULATOR SOCKET |
| 6   | KONTAKTBUCHSE / CONTACT SOCKET          |
| 8   | DOSENGEHÄUSE / SHELL                    |

| NO. | MASSE / DIMENSION |
|-----|-------------------|
| A   | 59.6              |
| B   | 22.2              |
| C   | 4                 |
| D   | 33.8              |
| E   | 52.6              |
| F   | 49.2              |
| G   | 63.5              |
| H   | 4.3               |

Note: Due to an automatic nomenclature system, numbers generated may not be sequential.  
 Specification and Dimensions subject to change  
 Drawings illustrate normal insulator positioning

|                                                              |
|--------------------------------------------------------------|
| <b>Material Specification:</b>                               |
| Shell Material: Aluminium alloy                              |
| Shell Plating: Olive drab chromate over cadmium (conductive) |
| Insulator Material: CR-Elastomere                            |
| Contact Material: Copper alloy                               |
| Contact Plating: Hard silver                                 |

|                                                                                                                                                                                                     |                                                                                                                                          |                                                                                                                                                                             |             |
